

## Periodic Table of Scoville Units™

The Periodic Table of Scoville Units is a grid of 50 entries, each representing a different pepper variety. The columns are numbered 1 through 10, and the rows are numbered 1 through 5. The entries include the pepper name, symbol, rank, and Scoville units.

### Elismerés az Európai Peptid Társaság magyar alapítójának

Medzihradzky Kálmán akadémikus, az ELTE Szerves Kémiai Tanszék professzor emeritusza, az Európai Peptid Társaság (EPS) alapító tagja elnyerte a „Pro European Peptide Society” emlékkéremmel.

Az Európai Peptid Társaság létrejöttének 25. évfordulója alkalmából a társaság közgyűlése – az EPS elnöke,

Hudecz Ferenc javaslatára – közfelkiáltással úgy döntött, hogy az öt alapítót kitünteti a 2004-ben létrehozott „Pro European Peptide Society” emlékkéremmel.

A 30 országból mintegy 1200 tagot számláló társaság Oxfordban jött létre. Az alapítók egyike volt Medzihradzky Kálmán.

A kitüntetést az ELTE Szerves Kémiai Tanszékén rendezett ünnepségen Hudecz Ferenc adta át a professzornak.

Az érem Szabó Gábor szobrászművész alkotása. (MTA)
